Creating in-depth character sketches or outlines is a great way to climb inside your characters' skin. Here are more tips for writing believable characters: 1. Make your characters as complex as real people are

Creating Character - Character Writing Guide | Now Novel

The biggest trick in English characterization is in keeping the English present tense, as there are often situations described in the book where you have problems to classify them. A hint for this, is to either search for another passage or to make a mistake. The important thing is, do not stay too long on the spot!

When you are completing your character biographies, be sure to include how your main characters move and talk. This is especially important for your protagonist, antagonist, confidant, and love interest. They are the characters that hold the story together and they should be as well-rounded and believable as possible.

Cheat Sheets For Writing Body Language | Writers Write

But the author always needs to understand their characters like the back of their hands. In *Creating Unforgettable Characters: A Practical Guide to Character Development*, Linda Seger compares the depth of a character to an iceberg. The audience will only see a fraction (maybe 10%) of all that the writer knows about their character.
