History of Africa - Wikipedia

African historiography is a branch of historiography concerning the African continent, its peoples, nations and variety of written and non-written histories. It has differentiated itself from other continental areas of historiography due to its multidisciplinary nature, as Africa's unique and varied methods of recording history have resulted in a lack of an established set of historical works documenting events before European colonialism. As such, African historiography has lent itself to ...

A Tale of Africa - Wikipedia

The main material for the biography is Equiano's autobiography, "The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African. Written by Himself" (London, 1789), and Carretta examines the latter work, seemingly line-by-line and with forensic skill, comparing it with other records and newly-discovered information that is extremely relevant to the truth or otherwise of Equiano's assertions.
