iPhone and iPad user guides I have not yet read these although I would really like to. The reason I did not give it more than two stars was because I couldn't find a price anywhere and I did see an ad for it that said it was free but it doesn't know if they're on the actual item so it said the item had been paid because it automatically went to my Apple Pay.

Great manual Typical of Apple they've thought of about everything. Well organized, written and illustrated, the handy Apple Watch guide is going to be my #1 resource to learn about the operation of my new watch. Apple MUST spend an equal amount of resources on writing their guides as the do developing their merchandise. Bravo! Well done.
