Social struggles in archaic Rome : new perspectives on the ...

Updated July 26, 2019 After the expulsion of the kings, Rome was ruled by its aristocrats (roughly, the patricians) who abused their privileges. This led to a struggle between the people (plebeians) and the aristocrats that is called the Conflict of the Orders. The term "orders" refers to the patrician and plebeian groups of Roman citizens.

Social Struggles in Archaic Rome ([])

The patricians were originally a group of ruling class families in ancient Rome. The distinction was highly significant in the Roman Kingdom, and the early Republic, but its relevance waned after the Conflict of the Orders. By the time of the late Republic and Empire, membership in the patriciate was of only nominal significance. The social structure of Ancient Rome revolved around the distinction between the patricians and the plebeians. The status
