The ABCs of ACOs: A Quick Primer for Physicians. Under the Affordable Care Act (ACA), doctors, hospitals, and other healthcare providers are expected to better coordinate care for Medicare patients through accountable care organizations (ACOs).

The ABCs of ACOs: A Quick Primer for Physicians ...

Abstract. The Affordable Care Act hastened the emergence of a new healthcare delivery and payment model called Accountable Care Organizations (ACOs). ACOs are groups of healthcare providers linked through a common governance structure that are responsible for serving “aligned” patients who seek most of their primary care from those providers.
