Thinking Outside Of The Box

Thinking outside the box (also thinking out of the box or thinking beyond the box and, especially in Australia, thinking outside the square) is a metaphor that means to think differently, unconventionally, or from a new perspective. This phrase often refers to novel or creative thinking. The term is thought to derive from management consultants in the 1970s and 1980s challenging their clients to solve the "nine dots" puzzle, whose solution requires some lateral thinking.

Thinking outside the box - Wikipedia

Thinking outside the box is more than just a business cliché. It means approaching problems in new, innovative ways; conceptualizing problems differently; and understanding your position in relation to any particular situation in a way you'd never thought of before. Ironically, its a cliché that means to think of clichéd situations in ways that aren't clichéd.
