News writing follows a basic formula. While styles can diverge more dramatically depending on the kind of story—a feature story may look and sound very different than a hard news story—all news stories are cut from the same mold. The first element of news writing is, of course, to deliver the news.

What You Need to Know About News Writing

Well, truth be told, it's all those and more. Becoming a journalist is not just about writing and reporting the news, it's about sifting through the lies that the corrupt and guilty try to feed and give the public information that they really need to know. But before even considering picking up the pen and paper, you have to first understand the elements that makes up journalism in the first place.
